RULE NO. 10 - ADDRESSING THE COUNCIL

1. **General Committee Meeting for Public Comment:** Persons wishing to speak during the "General Committee meeting" (non-agenda item) session(s) shall sign up with the City Clerk before the 6:30 p.m. General Committee meeting for Public Comment is called to order by the Presiding Officer. Upon calling the meeting to order, the Council President or presiding officer may explain the need to sign up for the comment period and ask if all those wishing to address the Council had an opportunity to sign up for it. (Res. 1-08)
 - a) Each speaker shall have five- (5) minutes to speak on an item depending on the number of speakers that have signed up for the public comment period. The Council President may, at his or her discretion, reduce the time limit down to three- (3) minutes if the number of speakers who have signed up would extend the time period beyond the thirty- (30) minutes scheduled for public comment. Additionally, the Council President, at any time beyond the five minutes, may ask a speaker to finish up his or her

remarks or rule them out of order, particularly if the person begins to become, among other things, redundant, repetitive or disorderly. Council, by a majority vote, may approve a temporary rule during such a meeting for a lesser time limit for public comment. (Res. 1-08)

2. **Agenda Item Comments:** Any person wishing to address the Council on an agenda item currently under consideration need not sign up but shall first be recognized by the presiding officer when he or she asks for public comment on an agenda item. The person recognized shall then indicate his or her name and address, and identify whether he or she is for or against the legislation or just commenting on said item. The Council president may, at any time, ask a speaker to finish his or her remarks if the person begins to become, among other things, redundant, disorderly or long-winded. The Council President may limit each speaker on an agenda item to a time limit of five- (5) minutes. All other requirements for public comment on non-agenda items as set out by these rules shall also remain in effect for public comment on agenda items. (Res. 1-08)
3. **Agenda Item Comments:** Speakers on any agenda item shall make every attempt to keep their comments concise and focused upon the item under consideration and shall avoid repetition of the comments of previous speakers on the item. Simply stating agreement with the points raised by the prior speaker(s) will help move the meeting along so that all who wish to speak have the opportunity to do so within a reasonable time. Large groups whose members wish to speak on a matter may designate a spokesperson.
4. **Public Comment Session & Agenda Item Comments:** The purpose of public comment is to provide information and the speaker's views for Council consideration. Any questions raised by a speaker do not necessarily have to be answered by Council, the Administration or staff during the meeting and may be referred for follow-up. The speaker shall raise all points to the Council president, who then may address those points or refer them to the appropriate person. Members of Council may wish to answer any questions or comments made upon being recognized by the presiding officer.
5. **Public Comment Session & Agenda Item Comments:** Proper decorum must be observed during the public comment period by members of the Council, the Administration, staff, speakers and the audience.
 - a. The presiding officer shall keep control of the meeting and maintain proper decorum by requiring the speaker(s) and audience to refrain from abusive or profane remarks, disruptive outbursts,

protests, or other conduct that disrupts or interferes with the orderly conduct of the business of the meeting.

b. Personal attacks on Councilmembers, the Administration, staff, other speakers, or members of the public will not be tolerated.

7. **Public Comment Session & Agenda Item Comments:** Exhibits, letters, petitions and other documentary items presented or shown to the Council on an agenda item or public comment session, become part of the record. Whenever possible, a copy of said document(s) shall be provided to the City Clerk to include in the public record. No exhibits may be concealed, and as much as possible, must be presented to the Clerk prior to the start of the meeting.
8. **Presentations, Proclamations and Awards:** Anyone wanting to make a presentation to the Council or any Councilmember, the Mayor or other official wishing to present proclamation or awards at a meeting should contact the City Clerk or the Council President by deadline set for items to be included on the agenda. The President, or Council by majority vote, may set a specific time frame for a presentation.

RULE NO. 11 - PUBLIC HEARINGS

1. The Council holds public hearings on Bills, public improvements, zoning issues, the City budget, and on other issues as the need arises.
2. A public hearing is different from a meeting in that a public hearing is a formal proceeding for the purpose of a fact finding and to gather information to aid in decision-making.
3. A public hearing is not a debate and discussion forum. However, the public shall be given opportunities to ask questions during the sessions. The public also shall be given opportunity to present testimony about the item at hand.
4. Testimony may be orally given or may be submitted in written or typewritten form and become part of the record.
5. Each person providing testimony shall state his or her name and address for the record.
6. Public Hearings are open to the public. Therefore, time, location, and the subject of the hearing will be advertised in accordance with the law.
7. The Council President shall schedule all hearings with input from the rest of Council.

RULE NO. 12 – CITY CLERK
