## **7:00pm RUNFERYERLIFE JAZZ ENSEMBLE**

Runferyerlife is a York County All-Star Jazz Ensemble of high school and college students, comprised of an impressive and highly skilled group of young jazz veterans. As musicians with Inspire! Studio of the Arts, these talented youth have spent nine years in jazz small group playing, interaction, studying improvisation, writing compositions, and developing technique. This has paid off in a fluency of the musical language that is rarely seen in musicians this young. They make music look fun and effortless!

## **8:00 pm THE INSPIRE! JAZZ SUPERBAND**

Kirk Reese, Steve Meashey, Chris Loser, Jeff Stabley and Curt Sipe make up the improvisation focused Inspire Superband. Musically, this group sets a very high mark for group interaction. They embrace a conversational style of jazz that certainly results in their own original collective voice. The improvisational dialog between members of this ensemble is remarkable. Individually, they have all achieved a virtuoso level of performance which makes each member a commanding jazz soloist. This contemporary jazz band is a York treasure and a must hear music performance.
