Grace & Peace to all Pastors;

with all that is going on in our individual ministries, its still nice every now and then just to hear from our Brothers and Sisters, and to know that everything is well or that someone is thinking of us. Also it's important to take a moment to share new thoughts and ideas with incoming ministries and new pastors. For example, what is God saying over there? **The Beth-El Churches of Christ Unity News Letter** is just a tool that is being offered as a way of communicating and simply reaching out to touch one another.

It is Inclusive of articles such as:

- The Vision of the Beth-El Churches**
- From the heart of our Prelate -Bishop Bernard Bragg**
- Headliners-who's in the spotlight**
- Special Announcements-these will come from each of you**
- P-CAP Information-what's new with P-CAP**
- Questions for the College of Bishops-what is our view on remarrying**
- Administrative Information-Pastor James Smith**
- Prelature Information Bishop-Elect Steve Smith**
- Special Invitations and/or requests- at least \$25.00 From each Pastor**
- Special Thanks and or/ acknowledgment to those who responded**
- Beth-El Churches Calendar (High Lights) @ a Glance**
